

# 04

## Practice

The Five Ingredients of Active Learning

---

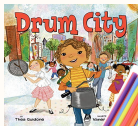

---

---

---

---

---

- Work with your table group to identify the **Five Ingredients** in my lesson
- Record your answers in your handout.

---

---

---

---

---

---

### When and How?

- Review the materials on your table.
- When would you read the book?
- How would you use the materials to ensure the children are actively engaged?
- Record your answers on the chart paper

---

---

---

---

---

---

**Gallery Walk**

Explore the other group's materials and ideas!

---

---

---

---

---

---

- Think of a book you own or have in your classroom.
- When will you use it?
- What materials will you add to engage the children in your program?
- Record your responses in your handout.

---

---

---

---

---

---

**Evaluation**

Please take a moment to provide feedback on today's presentation.
