I see that you need to use the toilet.

Let's move into the bathroom.

Should we put this on the save space?

Remember that the water comes out pretty fast.

It's your turn to try the toilet.

After we use the toilet, we wash the germs down the sink.

What song should we sing while we wash?

Want to do it yourself or with help?

Let's look at the pictures, that reminds us of what to do.
